About the Benefits This section details the benefits of working for NHSBT

What's great about this post?

Corporate Finance is recruiting for an Assistant Finance Analyst / Finance Analyst to complement our Financial Planning Team (Band 6/7 dependant on qualification status and experience).

You will work as part of highly regarded central team to provide a comprehensive analytical support service to the Finance Business Partner's, Head and Senior Corporate Financial Planning Managers and other internal / external customer and contacts.

As an Analyst, you will play a key part in our key finance business processes, including cost modelling and reporting, establishment costing, budget build, commissioning and pricing as well as providing presenting financial data and advice to a wide variety of stakeholders.

If you are an astute, enthusiastic individual with a keen eye for detail who thrives from working in a fast paced, ever-changing environment, we would love to hear from you.

What other opportunities are available to me?

We'll be committed to your training and development from day one. When you join, your manager will welcome you and discuss your future needs and the opportunities available to you.

Shine is our approach to learning and development. It includes all the ways that we can support you to 'shine' and excel in your role. It is open to everyone at NHSBT and covers a breadth of activities to support personal and professional growth. The areas we cover include, but are not limited to, Leadership, Management, Scientific and Clinical development.
