

Donor Carer – Blood Donation (Mobile) (Band 3)

Recruitment Profile - This is a summary of the Job Description and Person Specification

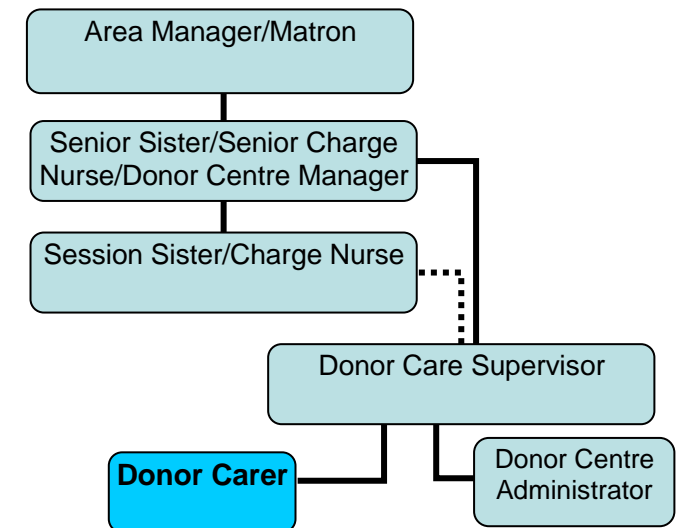

About the Role

As a Donor Carer, you will have the opportunity to learn skills and train to be an essential member of our donor team. You will play a vital role in saving and improving lives on a daily basis in an interesting environment where every day is different. Your responsibilities will include: -

- Taking part in training to learn how to venepuncture by inserting a needle into a donor's arm to achieve a blood donation unit.
- Looking after our donors throughout their donation journey to ensure they have a positive experience and care.
- Loading, unloading, assembling and dismantling equipment to setup and prepare our blood donation session.
- Ensuring all documentation from donors is recorded, keeping accurate records throughout the session.
- Encouraging donors to return by building relationships and delivering an exceptional customer experience.
- Ensuring the safe handling and management of blood products, needles and a range of equipment.
- Driving a 7.5 tonne van and 15-seater minibus as and when required (training and assessment will be provided).

As blood donation takes place in a variety of locations, you will be required to undertake long journeys (sometimes up to 2 hours) in NHSBT vehicles. You will also be required to work variable hours and days, including long days, evenings, weekend and bank holidays with appropriate notice of the rota.
