

## Financial Accounting Analyst (Band 4)

## Blood and Transplant

**About the Benefits** This section details the benefits of working for NHSBT

### What's great about this post?

NHSBT is offering an exciting development opportunity for an enthusiastic individual with technical ability and analytical skills. You will possess or working towards a recognised accountancy qualification e.g. part qualified AAT, NVQ level 4 or above.

You'll join a successful and well-respected team with talented individuals. Finance currently receives excellent reports from both internal and external auditors with very few issues being identified. We want to maintain this and keep getting better.

The challenge is to maintain this level of control whilst continuously improving efficiency and customer service. Through delivering excellent services to NHSBT, you will enable lives to be saved and improved.

*If you are considering applying for this post on a secondment basis, please discuss with your Line Manager before applying to ascertain whether this could be supported.*

### What other opportunities are available to me?

We'll be committed to your training and development from day one. When you join, your manager will welcome you and discuss your future needs & the opportunities available to you. For managers/senior leaders our development opportunities will be discussed with you to explore any development areas.

**Shine** is our approach to learning and development. It includes all the ways that we can support you to 'shine' and excel in your role. It is open to everyone at NHSBT and covers a breadth of activities to support personal and professional growth. The areas we cover include, but are not limited to, Leadership, Management, Scientific and Clinical development.
